Educational Background and Business Experience

Formal education includes:

- University of Tennessee, 1977, B.S.

- University of Tennessee, 1979, M.B.A.

- CFA Designation, 1987

The CFA is a qualification for finance and investment professionals, particularly in the fields of investment management and financial analysis of stocks, bonds and their derivative assets. The program focuses on portfolio management and financial analysis, and provides a generalist knowledge of other areas of finance. The Chartered Financial Analyst (CFA) designation is an international professional certification offered by the CFA Institute to financial analysts who complete a series of three examinations. To become a CFA Charterholder, candidates must pass each of three six-hour exams, possess a bachelor's degree from an accredited institution and have 48 months of qualified, professional work experience. CFA Charterholders are also obligated to adhere to a strict Code of Ethics and Standards governing their professional conduct.
